## Executive Summary

### Contractor Implemented Bid Depository

A Contractor Implemented Bid Depository is initiated on the request of the Contractors. The Bid Depository is voluntary under the conditions that the contractors agree, or volunteer to have a Bid Depository, as an alternative to it being specified in the Project Documents.

Some of the highlights of requirements that vary from the regular Rules are as follows:

1. Bid Depository closing is only twenty four (24) hours or one (1) day prior to the GC Bid closing.
2. Trade Contractors choosing to Bid inside the Bid Depository cannot also Bid outside the Bid Depository. If you are bidding you must elect to do one or the other.
3. Unless noted otherwise the Bonding Requirements for Bid Depository apply.
4. Trade Contractors only have up until two (2) hours before GC closing to do a Bid Withdrawal.
5. Trade Contractors only have up until two (2) hours before GC closing to do a Bid Omission.
6. The submission of the Contractor's Intention to Bid, is still the same, it must be submitted by the General Contractors in accordance with the requirements of Rule 4.A ( two working days prior to Bid Depository closing)
7. General Contractors must supply a List of Bid Depository Subcontractors no later than two hours after the General Contractor's closing.
